Mr. Musgrove:

We are in receipt of your public information request regarding our Automated License Plate Recognition (ALPR) Technology.

In response to that request, attached is a copy of the policy of the Foxborough Police Department. We believe that this document satisfies the scope of your request with-in the guidelines of the Freedom of Information Act. We believe that the portion of your request relating to training and deployment practices is exempt from disclosure. This information relates to internal practices and procedures to the extent that the release of such may jeopardize officer safety and could be used by the criminal element to reduce the likelihood of detection and capture.

We have agreed to waive any fees for the production of this material as its production had a minimal effect on departmental resources.

Sincerely,

Allan L. Haskell
